Instruction

Basic

At the beginning of a paragraph: type a space key.
After each picture: type two space keys.

If a picture doesn't fit into the sentence: type # and it goes back to the alphabet.

Advanced

If there is no plural, such as *trees*, type:
chairs = chair chair

If there is no past tense, such as *went*, type:
smoked as past smoke

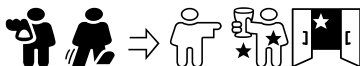

There are two imperatives

!! go to your class room

go (you go) to the bar

Compound terms are only programmed in a few examples.
